

COLORFLX GL272

Product Data Sheet

Product Briefs

GL272 is one type of novel gloves. The 13g liner could perfectly fit your hands and also be flexible. Foam Latex coatings are compatible with light oils and will provide a good grip. Foam finish finger reinforced lengthens service life and increases wear resistance. Ideal for gardening, landscaping, painting, weeding, varnishing, construction, logistic, warehousing, driving, farming, general maintenance and mechanic work.
