

BASICS GP2641

Product Data Sheet

Product Briefs

As a basic type of heavy duty safety working gloves, GP2641 provides sufficient protection for your hand safety. Fully dipped PVC smooth finish could be acid and alkali proof. The cotton interlock liner provides enough comforts and can keep your hands being dry the whole day. The palm chips finish offer perfect grip features. Perfect choice for some heavy duty jobs such as construction or some fishing jobs to take full use of the grip features provided by the palm chips.
