

CUTMASTER GN303C

Product Data Sheet

Product Briefs

GN303C nitrile work gloves offers premium personal protection, grip, and dexterity so you can handle tools, machinery, and hazardous tasks with ease. Made with CutMaster anti-cut yarns these gloves will ensure superior blade cut and abrasion resistance without compromising comfort and dexterity. They are partially coated with a textured protective layer of sanded nitrile for a superior grip in wet, dry, and oily applications.
